

THE POWER OF THE PYRAMIDS
PARTICIPATION, PERSEVERE & POSITIVITY

Westbank Club President's Message

May, 2014

Ahhh May - April showers bringing the May flowers and our Westbank members are starting to bloom in their own right. We have had Westbank members serve and volunteer at the Regional Meeting in Baton Rouge. Seminars are being planned to further our public speaking abilities and members are encouraged to speak at our monthly meetings.

We recently had a really nice social with a good turnout. It was a crawfish boil and even had some fried fish at a house in Lafitte on the bayou. A good time was held by all who attended.

Our community relations projects are starting to gear up with donations to our local food bank and we are starting to write Christmas Cards for the troops overseas.

Hope everyone has a safe and happy upcoming summer.

Until next month,

SUSAN
