The Power of Energy 2.0

February, 2026

Once again, our January 2026 weather is unpredictable. It is 30 degrees one day and 60 degrees the next day. The cold weather has caused icy roads and hazardous driving conditions. We need to follow the weather carefully and be safe. If the conditions are unsafe, do not travel unless absolutely necessary.

The theme for 2026 will be The Power of Energy 2.0. I will be researching and looking for articles and information related to the various types of energy. We can explore wind energy, solar energy, nuclear energy and other lesser known energy sources. If you have ideas, please let me know.

Our January meeting was held on January 28, 2026 at the New Orleans Hamburger and Seafood Co. on Manhattan Blvd. I was not sure how the meeting would work out at the new location, but it was a success. If you have comments or suggestions, please let us know. We will be trying to adhere as close as possible to the following schedule. We will call the meeting to order on/or about 11:30. We will open with the invocation and Pledge of Allegiance. We will conduct the business meeting. Once the meeting is adjourned, we will order (on our own) and eat. This worked out very well in January. If you do not wish to eat, you will be free to leave, or you can stay and socialize.

We do not have a February meeting but there is still business to conduct. Please check your e-mails as that is our main method of communication between meetings. If you have any questions or concerns, please let me know.

The SE Region will hold an in-person/virtual meeting, but I do not have any information to report at this time.

Elaine Lesnak will present our Orientation Meeting on March 25, 2026. Please mark your calendars and plan to attend.

The deadline for renewals was January 31, 2026. Did you send in your application and dues? I am looking forward to working with everyone in the new year!

The Importance of Oilfield Pipe Inspection and Maintenance

January Program Report

Our Guest Speaker for the January Meeting was Randy Miller, retired from AMF Tuboscope, Inc. who discussed "The Importance of Oilfield Pipe Inspection and Maintenance".

He explained how the Inspection of O.C.T. (Oil Country Tubulars), Casing, Tubing, Drill Pipe and Line Pipe are essential in the Oil and Gas Industry. These key Tubulars are what locates, seeks, extracts, brings to the surface and transfers these deposits of oil and gas.

A Pipe Inspection Program is a proactive system using various techniques such as Electromagnetics and Ultrasonics. These services are used to identify and detect corrosion, cracks, pits, and blockages, etc.

Key Benefits of Oilfield Pipe Inspection:

1. Improves Safety
2. Prevents Costly Failures
3. Protects the Environment
4. Ensures Regulatory Compliance
5. Enhances Operational Efficiency
6. Extends Asset Life
7. Supports Quality Control
8. Protects Families and the Community

He reiterated about the Oilfield Pipe Inspection and Maintenance which saves lives in the long run, protects the Environment, reduces costs and keeps the Operation|running safely and efficiently. He stated that these Tubulars performed to the Specifications designed by the Engineers, a solid Inspection Program should be followed.

Susan Miller
2026 Program Chairperson

Randy Miller, Speaker, and

Dear Southeast Region Members,

As we move into February, a month often associated with reflection and renewal, I want to take a moment to thank each of you for being part of our Southeast Region of women in the oil and gas industry. Your involvement, leadership, and commitment continue to strengthen not only our region, but our industry as a whole.

This time of year also marks our membership renewal period. Renewing your membership is more than a yearly task – it is an investment in yourself and in the powerful network we have built together. Through your continued membership, you help ensure access to professional development opportunities, meaningful connections, mentorship, and a collective voice that supports and elevates women across our industry.

The Southeast Region has an exciting year ahead, with opportunities to connect, learn, and grow together. None of this is possible without your ongoing support and engagement. By renewing, you help us maintain momentum and continue creating spaces where women can thrive, lead, and inspire one another.

If you have already renewed, thank you for your continued commitment. If not, I encourage you to take a few moments to complete your renewal and remain an active part of this incredible organization.

Thank you for all that you do, and for the strength, professionalism, and resilience you bring to the oil and gas industry every day. I look forward to another impactful year together.

Warm regards,

Missy Carroll

Hopefully you weathered the Arctic Storm at the end of January without any problems. It was a shock when I went into the grocery store and the water, toilet paper and bread aisles were EMPTY! Now to be fair, several years ago we had the ice storm here that lasted for five or six days where we were without water, electricity and totally housebound. So this time we tried to be prepared and thankfully it wasn't a reoccurrence of the prior storm.

On Saturday, January 17th the Budget and Planning Meeting was held, via zoom. Your Board was prepared and ready to set out the goals for 2026. The budget was presented and passed – being mindful of our expenses versus revenues for this year. The Board also approved to renew two (2) CD's that we took out last year. The 2026 ADDC Committee Chairman and Regional Representatives were also approved. A copy of this listing will sent to Regional Directors and will be posted to the website. In case you might consider assisting these Committee Chairs, some Regional Reps are still needed. If you would like to serve on one a committee, please contact your Regional Director or me and let us know. This is a great way to learn about the committees and exactly what they do the Association.

The 2025 Finance Review Committee has completed their review of the Year End financials and have **approved** the financials for 2025. A big thank you to Christina Forth, 2025 Treasurer and Barbara Pappas, 2025 FRC Chairman for a great job.

The 2026 Board of Directors have a zoom call scheduled for the third Monday of each month, via zoom. If you have anything that you would like to bring before the Board, please contact your Regional Director or you may contact me direct. Do not ever hesitate to email me or call me on my cell. We, the Board, are here to serve each and every member of ADDC.

Hopefully each of you have received your 2026 Membership Renewal Form and have submitted these to ADO. Club Presidents, please remember to copy **Kathy Martin, 2026 Membership Chairman** with a copy of your transmittal sheet and the membership forms. Also, remember that you can submit your renewal forms on line. If you have any questions on how to handle this, either contact Kathy Martin or me.

Please remember that the Board is here to serve each of you. Feel free to contact your Regional Director or me if you have any questions, on any subject.

Hugs to each of you and stay warm,
Evelyn

“The measure of who we are is what we do with what we have.” – Vince Lombardi

OWNER & OPERATOR REPORTS

Owner/Operator Report (Record Title, Operator & Operating Rights)

WELL, PLATFORM & PIPELINE REPORTS

1. Platform information report with details on the platform structure
2. Platform Decommission Reports
3. Track status and locations of wells

4. Daily Well Operations Report – Track current and future well operations scheduled to be performed daily for many operations like TA, PA, Initial Completions, Acidize, Casing Pressure Repair, Sidetrack/ByPass Change Zone and more.

GIS MAPPING SYSTEM – Easily view a map of your particular block(s) activity showing owners, operators, wells, platforms, pipelines, well directionals and more.

AND MUCH MORE!

Monthly Membership meetings are held every other month (see pg. 3 for dates)

Location: New Orleans Hamburger and Seafood Co.
2515B Manhattan Blvd, Harvey, LA 70058

Doors open at 11:00am
Membership Meetings start at 11:30am

Meal will begin after conclusion of meeting and attendees order off the menu and pay for own meals.

If bringing a guest(s), please forward guest names to Elaine Lesnak (email: elesnak49@gmail.com) for approval by the Board prior to meeting.
