January 2026 has started with warm, pleasant temperatures. The holidays are over, but we are already being thrown directly into the Carnival Season. The first parades begin this week. We are rolling from Christmas 2025 into Mardi Gras 2026 without even a break.

The first Board meeting for 2026 will be held on January 21st at Theresa Adams' house. If you would like to attend, please contact Theresa or me to get the information. We will be holding our January General Membership Meeting on January 28, 2026, at New Orleans Hamburger and Seafood on Manhattan Blvd. The meeting will begin at 11:00 a.m. Once the business meeting is completed, you will be able to order food if you want to eat, or you will be able to leave if you do not wish to stay. This will allow you to decide the time spent at the meeting and your cost. The club will pay for the room rental and any other expenses needed to conduct our meeting.

The Board approved the change to daytime meetings in order to make it easier for our members to attend (not having to drive after dark). If you have any questions, please contact me.

If you renew your membership, the payment will be \$75.00. For new members, the dues will be \$85.00. You will be able to turn your application in at the January meeting.

I hope everyone enjoyed their holidays and I look forward to seeing you in 2026.

January 2026

Happy New Year, Southeast Region Members,

As we begin a new year, I want to thank each of you for your continued dedication to the Association of Desk and Derrick and to the oil and gas industry we proudly serve. January is a time of fresh starts, renewed goals, and thoughtful planning – and this year, more than ever, it is a time for unity and growth.

Our theme for the year is “Let’s Grow Together!” This theme reflects both our commitment to education and professional development and our shared responsibility to support one another as we face change. Looking ahead, we know that in 2027 our organization will transition from four regions to three. While this will make the coming years challenging, it also provides an opportunity to strengthen our association, build new connections, and ensure a sustainable future for Desk and Derrick. Growth does not always come easily. It requires communication, collaboration, and a willingness to adapt. By working together, sharing ideas, supporting leadership, and staying engaged, we can navigate this transition with confidence and purpose.

Our strength has always been rooted in our members, and together we will continue to uphold the mission and values that have guided Desk and Derrick for decades. I encourage each of you to stay involved, attend meetings, and try to find new members. Every contribution matters, and every voice plays a role as we move forward together. Thank you for your continued support and commitment. I look forward to a productive year ahead as we face challenges, embrace opportunities, and, most importantly, “Let’s Grow Together!” Wishing you all a safe, successful, and prosperous New Year.

Sincerely,

Malissa “Missy” Carroll

January 2026

Happy, Happy New Year to each and every one – Welcome 2026!

I hope that each of you had a wonderful joyous Christmas Holiday with your family and friends.

And - Welcome to a celebration – 75 Years of Desk and Derrick!

“Seventy-five years of dedication, innovation, and unity – a legacy built by many hands and a future brightened by the same unwavering spirit.”

First, I want to thank Kathy Martin, 2025 President and the 2025 ADDC Board for their outstanding leadership, dedication and hard work. And most importantly to you, our dedicated and united members who continue to support the Association of Desk and Derrick Clubs. Our organization could not continue survive without each of you.

It is hard to believe that in July 1951, the Association of Desk and Derrick Clubs of North America was formed with Jackson, MS; Los Angeles, CA; Houston, TX and New Orleans, LA as the founding club. All because of one lady, Inez Awty Schaeffer who worked for Humble Oil and Refining Company in New Orleans, LA and her desire to form a club for women in the oil and gas industry, having the opportunity to learn more about the industry that each worked in. And here we are nearly 75 years later and we to look and move forward. Throughout the year, I look forward to celebrating our prized organization.

The first order of business for the Board will be our Budget and Planning Meeting that will be held virtually on January 17th. To each member, if there is anything that you have a concern about, please contact your Regional Director or any member of the Board. Remember that ADDC is YOUR organization and the Board is only the facilitators. Each member has a say and we as your Board want to hear from you.

The Member Renewal Forms have been sent to each club President. Remember that Membership renewals are due February 1st. If you have not received your renewal, please contact your club President or your Regional Director. There is the option this year for your Club to pay dues on-line. If you need any assistance in handling this, again contact your Regional Director or any member of the Board.

To each member that has volunteered to serve on a Committee as either a Chairman or a Region Rep – THANK YOU! If you haven't volunteered to serve – Have No Fear – there is still plenty of reps needed for these committees! Step right up – you are definitely needed and wanted. Don't hesitate to contact me or your RD.

As you know, the mail ballot after the Convention did pass and beginning in 2027, Desk and Derrick will be divided into three (3) regions: Central Region and West Region will remain the same, however Northeast and Southeast Regions will become one region – the East Region. Kathy Martin, Shelly Hildebrant (Northeast RD), Missy Carroll (Southeast RD) and I will meet soon to discuss the logistics of what will need to be accomplished by next year, including the election of the EAST Regional Director for 2027.

I want to thank each of you for allowing me the honor to serve as your President for 2026. There have been 74 outstanding individuals that have given their time, dedication and visions to make ADDC what it is today. Thank you to each of them and to you my friends and I will work hard to continue this legacy.

Hugs,
Evelyn

“2026 is the year we stop waiting for the perfect moment and start making every moment perfect”
