August, 2014

Dear Region III Members,

Greetings to all of the great members of Region III from the beautiful magnolia state of Mississippi. The warm weather is evidence enough that summer is here and whether you are vacationing or just working in your yard please be safe and stay hydrated.

It is the time of the year when your club nominating committees will be contacting membership to consider a club officer or a committee chairman position. When approached by your nomination committee or club President **STEP** up get involved and you will be so rewarded by the knowledge you will gain.

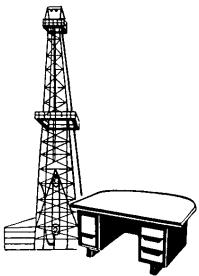

Recruit, Recruit, Recruit... Go to the ADDC website and look at the tons of new information on increasing your membership.. There is new membership recruitment ads, new ads promoting monthly meetings, ads for thanking your sponsors, new ads highlighting petroleum based items and new ADDC general awareness ads.

I know I have been saying this every month but, **LIVIN' LOVIN' LAFAYETTE'** is just around the corner and if you have not gotten in your registration it is not to late.....

Till Next Month,

Sharon Blackwell

Quote of Month: You can do something extraordinary, and something that a lot of people can't do. And if you have the opportunity to work on your gifts, it seems like a crime not to. I mean, it's just weakness to quit because something becomes too hard..." —Morgan Matson,
